

Certificate of Compliance

RoHS Compliance without Exemptions

Latest Update: 08/08/16

Acktar Ltd. declares and certifies that all coatings and products manufactured are RoHS compliant according to the definitions and restrictions of the European Parliament Directive 2011/65/EU and 2015/863 and The Council of January 27, 2003 on the restriction of the use of certain hazardous substances in electrical and electronic equipment. The directive provides guidelines to restrict the use of hazardous substances in the material composition. Acktar Ltd. states that none of the banned substances are intentionally present in any product that we supply.

Product family	Specific Products
